## 2008 Hellenthal Pinot Noir

# 93 Pts

“Released at the age of one year, which is disappointing as the wine will surely gain in the bottle. It's young and acidic and fruity, with complex waves of cherries, red currants, beef tartare, sautéed wild mushrooms with a splash of soy and balsamic, orange zest, pepper and the sweet sandalwood of smoky oak. Very fine, but needs at least a year in the bottle. - S.H.
