

W.H. Smith

**2007 Piedra Hill Vineyard, Purple Label
Cabernet Sauvignon**

95 Pts “You don't want to open this wine any time soon. It's tightly wound and immature, offering a blast of primary fruit flavors that haven't yet integrated it's technically bone dry, with waves of black cherries, blackberries, mocha, anise liqueur and smoky oak vanillins, followed by a long, spicy finish. Hold until 2012, if you can, and should drink well beyond that.”
